Staffing Arrangements

- The service is staffed according to the educator to child ratio and educator qualification requirements outlined in the *Education and Care Services National Regulations*.
- The Service is aware of the need for heightened supervision above and beyond the educator-to-child ratios during certain activities (e.g. water play, babies sleeping, nappy change and toileting, mealtimes, unknown persons in the Service), and this is accepted by Service educators as standard practice.
- Educators under 18 years of age are never left alone with children and must be supervised at all times.
- The Service maintains a list of regular casual staff and, wherever possible, engages educators on the list to replace absentees.

Qualifications and Clearance

- **Approved Qualification**

All Little Adventures Early Learning employees are required to hold or be actively working towards an approved qualification i.e. Certificate III, Diploma or Early Childhood Teaching qualification. Educators working towards a

- All educators use the Application 'ELMO' (an electronic roosting and timesheet system) to record their arrival and departure times and lunch breaks.

Staff Meetings

- The Service conducts regular staff meetings, as well as additional Responsible Persons meetings, to assist in the achievement of quality education and care outcomes for children. These meetings are held once a month and are compulsory.
- Staff are paid for their attendance at these meetings. Any employee unable to attend is required to consult with the Director as soon as possible prior to the meeting.

This acceptance of the additional responsibilities by the replacement is a standing arrangement agreed to in writing by the replacement, and details are maintained on the staff record.
- Whenever leaving the premises, the Nominated Supervisor informs the substitute Responsible Person, and signs the Responsible Person Record Form on their departure. On return, the Nominated Supervisor informs the substitute, and again signs the Responsible Person Record Form.
